

Kid at Heart Tour

This tour is for visitors of all ages.

We know you're as young as you feel!

Ice Age Encounters Show *Museum (check schedule for times)*

Travel back in time with an Ice Age Encounters show! This dynamic, 15-minute show features a life-size adult Saber-toothed Cat puppet, a live performance and film projections that bring Ice Age L.A. to life.

Tar Pull *Museum*

Test your strength at the tar pull stop! Square up against kids of all ages and see who is stronger.

Poop Interactive *Museum*

There's poop. Enough said.

Ask a Scientist a Question

Museum, Fossil Lab tour or Project 23 Revealed (check schedule for times)

Every kid knows how to ask the hard questions. Tap back into that inquisitive spirit on a Fossil Lab Tour or Project 23 Revealed!

Climb the Sloth statue *Outdoors*

Snuggle in the arms of our very own giant sloth statue!

Roll Down the Hill *Outdoors near the Museum*

Feel free not to resist the impulse to roll down these grassy hills.
